## General Information

### SHIPPING

Most orders are sent UPS or FEDEX ground. Handling charge is 3.50 for the first box plus 1.00 for each additional box. Oversize shipments are sent common carrier freight collect.

### TIME

Most stock orders are shipped within 24 hours. Restretch orders are shipped in approximately 5 working days or less. Please ask for current shipping time when ordering.

### TERMS

All prices are wholesale to the trade only. Orders can be charged on VISA, Mastercard, Discover or American Express. Terms will be considered for firms rated by D&B. Prices subject to change without notice. All custom orders must be paid in full in advance. Written P.O. required on custom orders.

### ORDERING

**Call 1(800) 255-5335 and our knowledgeable sales staff will help you.** No minimum order on stock frames.

You may fax orders to (718)454-7640. For more product information and current specials, visit us at: [www.VictoryFactory.com](http://www.VictoryFactory.com)  
Email - [mail@victoryfactory.com](mailto:mail@victoryfactory.com)

### INFORMATION

#### Screen Discounts

**5% discount on 12 frames**  
**7% discount on 24 frames**  
**10% discount on 48 frames**

**Discounts do not apply to sale items**  
**No Discount on Unstretched Frames**

Orders must be shipped complete to qualify for discounts. Many chemicals including emulsions can not be shipped in freezing weather. Please plan ahead.

If you have any questions regarding our policy, please call (718)454-2255.

### GUARANTEE

All products sold by Victory-Factory are guaranteed to be free of manufacturing defects. If you advise us of a defective product within 14 days of receiving a shipment, we will repair or replace that product at our discretion. We will not be responsible for defects not reported within 14 days.

Screen mesh is fragile and can be damaged by rough handling or accident, therefore, ripped mesh can only be replaced if found defective.

Credit, repair or replacement can be issued only after the product is returned to us for evaluation. If a package is received damaged during shipping, please refuse delivery and call us immediately so we can help.

**CAP FRAMES**

**1 Thin Edge All Aluminum Cap Frames**

For printing hats and other items that require the image to be placed very close to any object or obstruction.

The 8.5x12L has the thin edge on the 12" side. The 8.5x12S has the thin edge on the 8.5" side.

Size O.D.	Frame Only	83&110 White	123&137 White	156&195 White	230 Yellow	305 Yellow
8.5"x12" L	8.82	18.21	18.49	18.77	19.29	19.66
8.5"x12" S	8.82	18.21	18.48	18.77	19.29	19.66

\* 1/4" aluminum edge for close to brim printing. \* Special wrap around stretching for extra printing life. \* No minimum order

**Staple Tape**

If you staple your screens, you should use staple tape. The 5/8" polyester tape is applied to the screen over the mesh, you then staple *through* the tape to protect the mesh and aid in removal of staples.

288 yd roll - 19.95    1000 yd spool -49.00

**Permanent Blockout Tape**

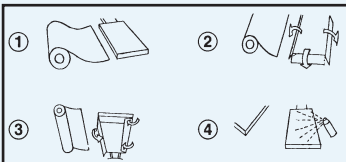

**2" wide**  
1 Roll    4.20 ea  
36 Rolls    3.99 ea

**4" wide**  
1 Roll    7.36 ea  
18 Rolls    6.99 ea

Impervious to solvents. Use on both sides for permanent screen protection. Can be left on during reclaiming. Rolls are 36 yards, available in 2" or 4".

**Pallet Protek**

Apply 1-3 layers to pallet before using adhesive spray. Heat and solvent resistant. Increase production - save cleanup time. When surface is dirty, just remove a layer and continue printing!

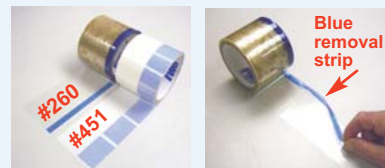

18" x 100 yd roll - 48.87  
24" x 100 yd roll - 65.16

**Removable Blockout Tape**

Use this blockout tape when you want to easily remove or reposition. Quick Rip has a handy blue strip with no adhesive for quick pickup and removal. Split Tape has wide blue areas with no adhesive for roller and static frames where you don't want the tape sticking to the frame. Economical 60yd rolls.

**Quick Rip:**  
#260 Clear 2"x60yds - 4.95  
**Split Tape:**  
#451 White 3"x60yds - 7.95

### Spray Bottles

These are heavy duty 32oz bottles with chemical resistant sprayers. Use for reclaimer, degreaser etc.

**SPRAY \$2.99 ea**

## 21 Step Screen Exposure Guide

- \* Judge the exposure on any screen
- \* New slim design for easy placement
- \* Conforms to industry standards
- \* Simple to evaluate exposure
- \* Reusable

**\$6.95 each**

#### Directions:

Place the guide on your screen. Expose normally. After wash out, the guide should show solid though step 7. Steps 8-21 will be clear. This is ideal exposure.

*Under* exposure causes stencil breakdown. *Over* exposure causes loss of fine detail.

Use multiple guides on your screen to judge light evenness.

**Actual Size!**

# RESTRETCHING SERVICE

Recycle your frames. Save money by sending back your used wood or aluminum frames to us for professional restretching. Frames must be sound and cleaned of all old mesh and ink. Prices on the chart are for stock size/mesh combinations. Custom sizes and mesh are available. **For fastest service, print our handy restretch order form from [www.victoryfactory.com](http://www.victoryfactory.com) and include the form with your shipment.** Handling charge on frames returned uncleaned. Screens previously stretched with Cyanoacrylate (CA) also known as "Instant" glue present problems for our stretching service. If you have this glue on your screens, please call before sending them in for restretching. Call for more info.

**Discounts:**  
12 - 5%  
24 - 7%  
48+ - 10%

Ship to:  
Victory Factory  
184-10 Jamaica Ave  
Hollis, NY 11423

Inspecting and resurfacing frames for factory restretching

## Ulano Matrix Capillary Film Rolls

Ulano Matrix is a diazo photopolymer dual cure capillary film with excellent imaging properties. Green color. High solvent resistance, extended print runs and ease of use.

40 micron Matrix Capillary Film 26"x300" \$119.95 roll  
**CFILM4026300** (best for mesh 110-230)

30 micron Matrix Capillary Film 26"x300" \$95.50 roll  
**CFILM3026300** (best for mesh 230 and over)

## Ulano EZ Film Sheets

Ulano EZ Film in sheets is a great alternative for the textile printer who wants the convenience of sheet film at an affordable price.

**Reduce pinholes - Fast application - Even results - No drips - No mixing**

**50 micron EZ film** is perfect for mesh counts from 83 to 195 and is available in two sizes: 15" x 17" and 17" x 24"

**30 micron EZ film** is perfect for mesh counts from 230 and finer and is available in two sizes: 15" x 17" and 17" x 24"

Ideal for plastisol and other solvent based inks, can be used for Water Based inks when treated with Ulano Hardener WR.

15"x17" Sheets 50 or 30 Micron EZ Film 5 pack \$10.95 50 pack \$63.95

17"x24" Sheets 50 or 30 Micron EZ Film 5 pack \$12.95 50 pack \$89.95

## Ulano Magic Mesh Prep

Ready to use liquid mesh prep which combines degreaser, wetting agent and antistatic treatment in one easy to use product. Use for both capillary film and liquid emulsion. Improves the stencil durability for longer runs.

Quart \$11.95      Gallon \$29.95

## Ulano Hardener WR

Ulano Hardener WR is applied to your screen after developing to enhance the stencil for longer runs with water based inks. The screen remains reclaimable.

Quart \$7.95      Gallon \$22.95

# Emulsions & Chemicals

## Ulano Proclaim Emulsion

Proclaim is the latest dual cure photopolymer emulsion from Ulano. Formulated to provide **great exposure latitude**, and easy reclaiming. Use for plastisol and graphics printing. High 37% solids content, good resolution, Diazo sensitizer included. Bluegreen color. Also available in clear.

**CPROCLAIMQ**  
Quart \$17.95

**CPROCLAIMG**  
Gallon \$39.95

## Ulano LX-660 Emulsion

Ulano LX-660 is a dual cure diazo sensitized emulsion specially formulated for **high water resistance** for printing water based inks. Perfect for the printer who uses both plastisol and water based inks and wants to use one emulsion for both. Pink color.

**CLX660Q**  
28 oz \$24.95

**CLX660G**  
Gallon \$57.95

## Ulano QX-5 One Part Emulsion

New Ulano QX-5 pure photopolymer one part emulsion. No mixing required- Blue Color- Fast exposing- Long shelf life. High solids content for smooth screen coating. QX-5 is resistant to most solvent based inks and some water based inks. Use Ulano hardener WR for long runs.

**CQX5Q**  
28 oz \$19.95

**CQX5G**  
Gallon \$49.95

## Ulano QTX One Part Emulsion

Ulano QTX is a very high quality ready to use **ultra fast exposing** SBQ photopolymer emulsion. The plastisol printers favorite. Long shelf life, pink color

**CQTXQ**  
28 oz \$25.95

**CQTXG**  
Gallon \$62.50

Note: for the best quality screens, we recommend post exposing with all emulsions. After developing your screen, place it in the exposure unit again to harden the image. This increases durability and reclaimability.

### Aqueous Stay Open

Add to your water based inks to retard drying in the screen.

**Quart** \$13.68

### Nylobond Nylon Bonding Agent

Add 10%-15% to plastisol ink to print on nylon fabrics. Pot life is 8-16 hours.

**4oz** \$8.95

**8oz** \$11.95

### Curable Reducer/ Detackifier For Plastisol Ink

Improve the viscosity and reduce tackiness of plastisol inks while increasing soft hand.

**Qt** \$12.95

**Gal** \$39.95

# Chemicals

## Ulano Magic Mesh Prep

Ready to use liquid mesh prep which combines degreaser, wetting agent and antistatic treatment in one easy to use product. Use for both capillary film and liquid emulsion. Improves the stencil durability for longer runs.

**CMESHPREPQ**  
 Quart \$11.95  
**CMESHPREPG**  
 Gallon \$29.95

## Victory Factory Haze Remover

NEW! Our haze remover is used to erase the ink haze that may be left after emulsion removal. Use on all solvent based or plastisol ink haze. Non caustic.

**CHAZEVFQ**  
 Quart \$14.95

**CHAZEVFG**  
 Gallon \$34.95

## Victory Factory Ink Wash

A safe ink wash for plastisol. Also removes adhesive from pallets. Non flammable, low odor.

Quart - **CINKWASHQ**  
 \$11.95

Gallon - **CINKWASHG**  
 \$25.95

## Albatross SPIF-2

### Albatross SPIF-2

Cleaning fluid for cured plastisol. Used in spot cleaning guns. Safer Formula.  
 No Methylene Chloride

**CSPIF2G**  
 Gallon \$49.95

## Supra Ink & Stencil Remover

NEW! The latest trend in screen reclaiming. No need to remove the ink from the screen just brush on our new stencil remover and the plastisol *and* old emulsion are removed in **one step**. Also can be used in dip tanks. Low Cost. Non-Flammable.

Gallon **CSUPRAG** \$29.95

## Ulano Liquid Blockout

Ulano Screen Filler #60 is a high quality solvent resistant blockout solution for general screen filling. Reclaimable. Ideal for use with plastisol inks.

Quart - **CBLOCKQ** \$13.95  
 Gallon - **CBLOCKG** \$24.95

## VF Stencil Remover Concentrate

Liquid stencil remover concentrate 16oz makes 1/2 to 1 gallon of remover.

16 oz **CSRC16** \$11.95

## Ulano Hardener WR

Apply hardener WR to your screens after exposing to significantly extend printing life with water based inks. Also works with capillary films. Reclaimable.

Quart **CHARDQ** \$9.95

**Victory Factory**

Plastisol Ink  
 Glitter Ink  
 Metallic Ink  
 Fluorescents  
 Process Colors  
 Discharge  
 Water Based

**We carry Low-Bleed and High Opacity Plastisol Inks.**

We recommend the use of **Reducer** to control the ink thickness.

Also available is **extender** which can be added in any amount to create more transparent colors and softer hand.

Our **Halftone Base** can be added to C-M-Y-K inks to adjust your process colors for printing.

**Victory Factory Plastisol Textile Ink Kit**

Red, White, Black, Royal Blue, Yellow

One Quart each (5 qts) Set of two ink scoops, 4oz bottle of reducer and Color mixing guide included

**\$63.95 ea**

**Victory Factory Water Based Textile Ink Kit**
